Ross Education Institutional Grant: (Taylor, MI campus – Effective for classes starting January 1, 2013 and later)

Up to $724 to be used for direct/tuition cost only. (Disbursed in two equal amounts – once when midpoint requirements are met and once when program completion requirements are met.)

Eligibility Requirements:

All Ross Education Institutional Grant applicants must:

- Meet Ross admission requirements as stated in the catalog
- Must have a 0 EFC per the Free Application for Federal Student Aid
- Must be the first enrollment at Ross Medical Education Center; Taylor, MI. Does not apply to reentry or reinstated students.
- Remain in good academic and attendance standing (based on Satisfactory Progress requirements) in order to be eligible for disbursements

For classes beginning January 1, 2013, a cumulative maximum of $32,980 will be allocated to the Ross Education Institutional Grant program for Ross students attending the Taylor, MI campus. This grant is being established on a trial basis. Once a commitment of $32,980 is made, the program will be reevaluated for future students.
