*The institution's retention rate is as reported to the Integrated Postsecondary Education Data System (IPEDS) Fall Enrollment Survey which is a measure of the rate at which students persist in their educational program at an institution, expressed as a percentage. For Ross Medical Education Center, this is the percentage of first-time degree/certificate-seeking students from the previous fall who either re-enrolled or successfully completed their program by the current fall.

**The race/ethnicity and the gender data were collected in the IPEDS Fall Enrollment Survey. Information about Pell Grant recipients were collected for the IPEDS Student Financial Aid Survey for 12 month period, from 7/1/13 to 6/30/14, award year 13/14 only. The IPEDS Fall Enrollment Survey and IPEDS Student Financial Aid Survey collect unduplicated student enrollment counts.
